Kosciusko Leadership
Academy White Papers

A WORD ABOUT KLA . . .

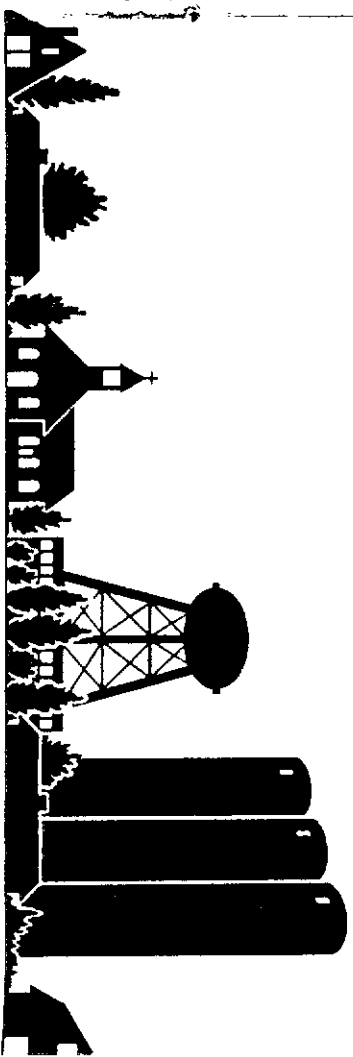

The KOSCIUSKO LEADERSHIP ACADEMY is intended to develop an informed citizenry that will play an increasingly influential role in Kosciusko County's future. The KLA has been formed to encourage the development, education, training, and motivation of future leaders to meet the challenges of development and expansion in the coming decades. The KLA enriches the community by preparing promising individuals to assume leadership roles in various agency, civic, and citizen organizations in the community.

Specifically, the goals of the KLA are to:

- Develop informed and capable leaders, who will assume active roles in promoting growth and development of our communities.
- Educate future leaders through a comprehensive study and exposure to the key support areas upon which our communities depend.
- Provide leadership training in order to produce effective future community leaders.
- Motivate Academy participants to volunteer for service in agencies and civic organizations which benefit their local communities.
- Encourage continued community service of Academy graduates by maintaining an alumni organization.

FORWORD

The 1986-1987 KOSCIUSKO LEADERSHIP ACADEMY is pleased to provide you with this directory listing religious congregations available to the people of Kosciusko County.

All organizations listed in the Directory have been confirmed as of March 1987. Although every effort was made to obtain information concerning all known congregations, we are sure that some have been inadvertently omitted and that there have been changes between the time the information was gathered and the time of publication.

HOW TO USE:

Alphabetical Listing:

The first section is a general directory listing organizations alphabetically. Use the ALPHABETICAL listing if looking for a congregation by name.

Denominational Index:

Use the DENOMINATIONAL index if you are looking for a particular religion.

Location Index:

Use the LOCATION index if you are seeking a particular religion within a geographic area.

Contact:

Since many congregations do not staff their telephones, we suggest contacting them by mail if calls are unanswered.

Additional copies of this Kosciusko County Directory of Religious Congregations may be obtained through your local Chamber of Commerce.

Permission is granted to any individual or organization that wishes to copy this directory in any form, in part or in whole.
