

**A GUIDE**

**TO**

**WARSAW AREA**

**HOUSING**

**DEVELOPMENTS**

## **INTRODUCTION**

All developments, listed in this guide are within a 3.5 mile radius of the City of Warsaw.

There are four (4) sections in the guide and each lists the developments within the defined geographical boundaries. State Highway 15 is used as the dividing line between East and West sections and Center Street, in the City of Warsaw, is the dividing line between North and South sections.

Each section is introduced with a map of the area and followed by the descriptions of the additions within the designated section.

## **DEFINITION OF CATAGORIES**

### **AGE OF DEVELOPMENT:**

This tells you what year the development was recorded in the Kosciusko County Courthouse Recorder's office and will give you an idea of the approximate age of the homes within this development.

### **AVAILABLE LOTS:**

Clearly defined as "yes" or "no". "Limited" - tells you there are a few remaining lots to be sold.

### **RESTRICTIONS:**

Restrictions are filed in the Kosciusko County Courthouse Recorder's office for each development; if there are restrictions applicable to the development. Several developments do not have any restrictions filed for their addition. Restrictions should be read prior to building or purchasing.

### **UTILITES:**

This tells you if the addition is served by Northern Indiana Public Service Company (Nipsco) or the Kosciusko County REMC.

In some additions Nipsco will furnish the gas and REMC furnishes the electric. This category does not address information regarding cable or telephone.

### **SCHOOL DISTRICT:**

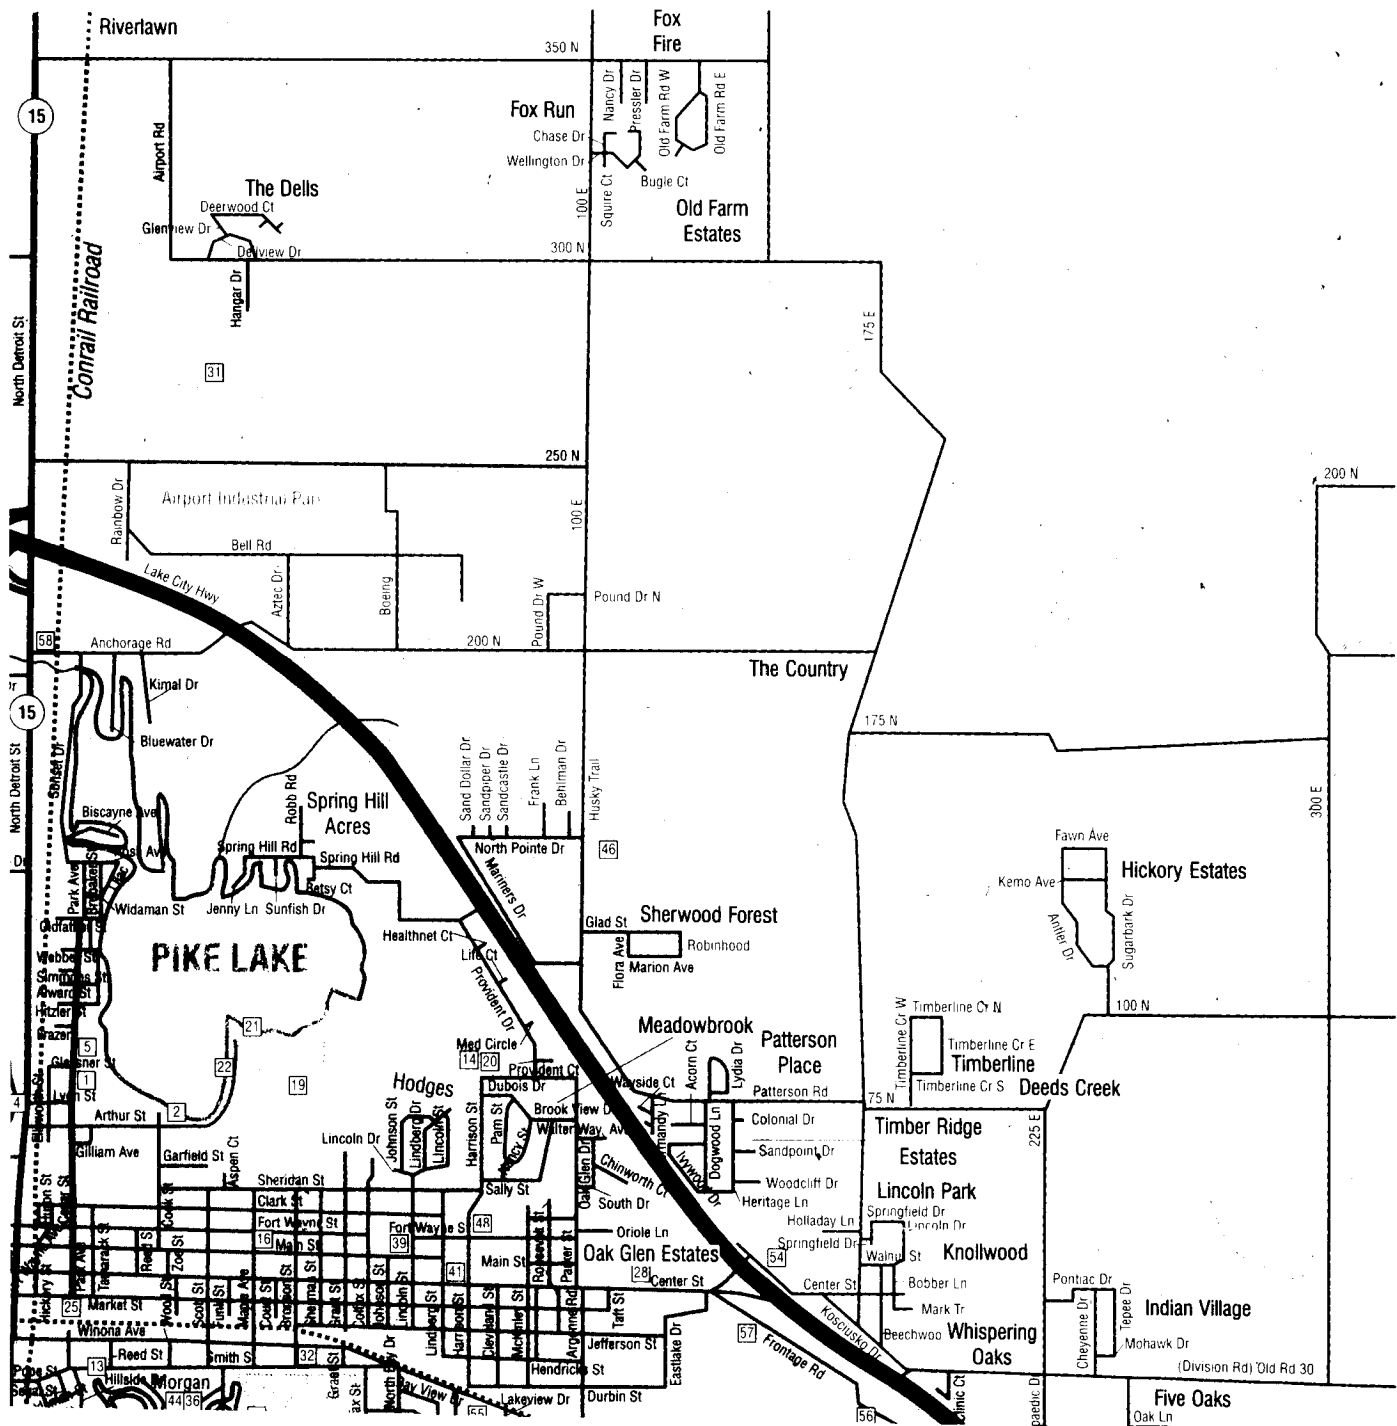

Identifies elementary schools only. All students, within the designated area, will attend either Edgewood Middle or Lakeview Middle Schools followed by attendance at Warsaw Community High School.

### **MUNICIPALITY:**

Because of the immediate abutment of Warsaw to the Town of Winona Lake, this description is applicable to postal service.

NOTE PAGES are available at the end of each area development section.
