

SMALL STEP, BIG IMPACT

A Community Improvement Program

Zeke McSherry | Core Mechanical Services Inc.

A dark, atmospheric room with two doors. The door on the right is slightly ajar, revealing a bright light source. The foreground is dominated by large, flowing, translucent waves in shades of red, orange, and teal. The overall mood is mysterious and hopeful.

MILESTONES SUMMARY

Education → Readiness
→ Concept

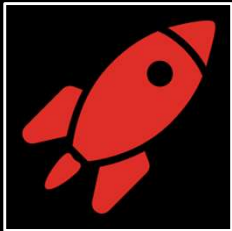

Design → Build → Sustain

The image features two grey telephone handsets positioned horizontally, one above the other, on a dark grey background. The handsets are connected to coiled cords that extend towards the left and right edges of the frame. The background is decorated with abstract, flowing shapes in vibrant colors: a rainbow gradient at the top, a red shape at the bottom left, and a cyan shape at the bottom right. The text 'CALL TO ACTION' is centered in the lower half of the image in a white, sans-serif font.
